I overlooked a big event coming in August and want to add it to the list of great multi-day events for you to consider. The Four Plus Foolhardy Folks have an exciting weekend of hikes on Aug 2-4 with three hikes near Fairhaven WA. Consult the Pathfinder or AVA events listing to get the details. Louise and I will see you there.

Just received this note from the AVA IT Committee about the Online Start Box. We updated our logins and they seem to work just fine. Took a little persistence, but we got logged in.

The Online Start Box (OSB) is up and running on my.ava.org after a heroic effort by Chris Zeglin.

Part of what made this so challenging was Chris's commitment to deploy improvements/interface changes (based on user feedback) to the OSB deployed on my.ava.org while assuring all user data and account fund records were imported properly from the cvau.org based system.

Also, the event details for all 2019 and 2020 OSB events in the AVA ESR have been updated to reflect this move (for example "www.cva4u.org" has been replaced with "<https://my.ava.org>"). See for example:
