

## News from N.E.W. #38, October 2, 2015

1. **AVA Strategic Planning Individual Online Survey:** The Checkpoint you just received has information about the “Individual Stateholder” online survey. **Please take this survey now!!** Do not wait for the deadline of October 24<sup>th</sup>. The survey for clubs will come out next week. The SPC membership committee, including our own SPC representative Maryann Brown, has worked tirelessly to get the questions into the survey that the SPC needs to help us determine the future of AVA. The survey will take less than 10 minutes. Copy and paste the Email link into your web browser.

I am including a table of links here. Please put the appropriate link on your club’s webpage, Facebook pages, on state association websites, etc. Anywhere and everywhere people who might participate in our events will see it and might take it. The second item I’ve attached is a PDF you can print off and give to people anywhere. Take them with you. It contains a QR code that people can scan with their smart phone to take the survey. Or they can take the paper copy and mail it in.
